About Project:

iMark WestCity Prime is a prestigious gated community proposed DTCP residential villa plots venture by iMark Developers a rapidly growing Property development group in South India.

We are located on the National Highway 65 connecting Hyderabad and Mumbai surrounded by the beautiful and lush green natural land scapes. The speciality of Sadashivpet is it is built as per the ancient science principles known as vastu shashtras.

The Project offers Land with perfect combination of international style architectural planning and features to provide comfortable living space.

A Beautifully Designed Entrance Arch adds Elegance to the Project

Nature Friendly Pollution Free Environment
